Notes of Interest from the Town Clerk's Office

LAND RECORDS-There were 936 documents recorded totalling 2768 pages. This filled four and a half land record volumes. For the second year in a row, recording was down by 138 documents.

DOGS-555 dogs were licensed on time (April 1). As a result of letters sent to all residents who had previously licensed their dog(s), an additional 424 dogs were licensed for a total of 979 licensed dogs. This is a decrease of 24 dog licenses from 2014. Not only is licensing your dog the law, but a licensed dog stands a much better chance of being returned to its owner should the dog wander off. You can get your dog license each year starting in January. 50% late fees are assessed after April 1st.
