

To the Voters of Lyndon

Since 1950, the Northeastern Vermont Development Association (NVDA) has been the regional advocate for stronger communities and vibrant local economies. We are the only combined regional planning and economic development organization in Vermont, serving the largest geographic region of the state – the beautiful Northeast Kingdom.

Each year we request dues from our member communities. These funds are vital to us as they help defray the costs of providing direct assistance to the 50+ municipalities and scores of businesses in our region.

Local governance has become increasingly complex. NVDA has steadily expanded our service offerings, which now include, but are not limited to:

- Land use planning at the local and regional level – including town plans, zoning bylaws, and on-call technical assistance for local officials;
- Transportation studies, infrastructure inventories, and project planning;
- Digital mapping and GIS data services;
- Grant writing and administration for community and regional projects;
- Direct business support and referral services to employers in our region.
- Energy planning and water quality planning and implementation to help communities meet new statutory requirements;
- Emergency planning and assistance with flood hazard plans and regulations;
- Economic development planning to grow and strengthen businesses in our communities;
- Benchmarking and reporting for investments made in the region's USDA Rural Economic Area Partnership (REAP) Zone – a program that has brought millions of dollars to the region;
- Maintaining a federal Foreign Trade Zone designation to improve the competitiveness of companies that import in our region;
- Municipal education and training opportunities for local officials.

How is this relevant to Lyndon? In 2017, NVDA staff provided the following services in your community NVDA staff provided the following services in your community Emergency Management consulting. Adoption of Local Emergency Operations Plan. Conducted traffic counts and a Town Highway Short Inventory. Assisted Lyndon with Grants In Aid projects identification and administration. VRCD community visit. Local Business visits. Brownfields solar project and Industrial Park planning. Also assist with data for economic initiatives.

NVDA's municipal dues are based on a very affordable \$0.75 per capita rate, with a maximum of \$3,500 and a minimum of \$250. We take great pride in providing cost-effective professional services to the communities and businesses of the Northeast Kingdom.

At our annual meeting Lyndon was "confirmed" as a planning community by the NVDA board, which allows your community to benefit from a number of planning initiatives. We look forward to pursuing these opportunities with you in the coming year.

Sincerely,
David Snedeker
Executive Director
