1. Visit to Possible Garage Sites

Both Boards visited the Laferriere and Samantha Holdings properties as potential sites for a new combined Town and Village garage. Gail Aliosa of NVDA explained the process for Brownfield inspections at the Laferriere site.

2. Discussion of Site Visits

The Boards' instructed Dan to request permission to do test borings at the Samantha Holdings property and to get more information about dealing with the potential Brownfield issues at the Laferriere site.

3. Presentation about Merger of A.T. & T. & TMobile

Sam Winship of Internet Innovation Alliance was present to describe the potential merger of A.T. & T. and TMobile. He was seeking support from the two boards for this merger as it will improve broadband and wireless internet service in the Northeast Kingdom. Neither board took any action.

4. Discussion of Penalties for Errors in Homestead Filings

The two boards discussed the new legislation that allows communities to choose if they want to assess penalties for late or erroneous filings for homestead declarations. Stephen moved that the Village assess the penalties as described in a memo from the VT Department of Taxes dated 7/11/11. Tim 2nded. Approved 5-0.

David moved that the Town assess the penalties as described in a memo from the VT Department of Taxes dated 7/11/11. Marty 2nded. Approved 2-0.
