

Hello Town Clerks,

It is once again time for us to reorganize the town, county, and state committees of the Vermont Progressive Party. In accordance with 17 V.S.A. § 2303 we are warning our town caucuses for Monday, Sept 20th, 2021. The purpose of each Progressive town caucus shall be to elect or re-elect a Progressive town Chair, Vice chair, treasurer, and secretary, as well as delegates to the county committee. Following town caucuses in September, we will be organizing County Committee meetings in October and our Annual State Convention in November.

In solidarity,
