1. Chris Hunter called the meeting to order at 5:35 PM.
2. Adjustments to the Agenda: No changes to the agenda.
3. Minutes: Chris Hunter made a motion to approve the 2-11-19 minutes. Heather Bollman seconded, and the motion carried 4-0.
4. Orders: The Board signed the orders.
5. Other: Kim Crady-Smith came before the Trustees to ask a couple of questions regarding the Lantern walk event and what they could have for a route since the Trustees had amended the Downtown Committee's proposal. She explained that last year's route around Bandstand Park was only 10 Minutes and was too short in their estimation. Justin Smith explained that due to safety concern expressed by Chief Harris the Trustees had approved an amended route as follows: The participants were allowed to use the parking lot at the municipal building and could use the Bandstand Park for any route they wanted once the group circled the park they could use the crosswalks on Main, Maple, Elm, Church, and Depot Streets to access the sidewalks on Depot Street. The intent was to allow the Downtown Committee to decide if they preferred one route down the north or south sidewalk along Depot Street or if they preferred to split the group and have half the walkers go down each sidewalk and crossover at the Depot Street Crosswalk at Shear Sensations for a return trip up Depot Street and back to the Park. Heather Bollman stated that the Downtown Committee just needed to have volunteers at whatever crosswalks were going to be used. Kim Crady-Smith insured the Trustees there would be volunteers to help at the crossing locations. Ms. Crady-Smith asked for something in writing. Mr. Smith assured her that he would get her a letter.

Having no other business the meeting was turned over to LED at 6:00 PM.
