

VILLAGE OF LYNDONVILLE

Trustees Meeting of March 2, 2015

| <u>Trustees</u> | <u>Press</u> | <u>Public Official</u> | <u>Public</u> |
|-----------------|--------------|------------------------|---------------|
| Tim Gaskin | | Justin Smith | |
| Randy Amadon | | Ken Mason | |
| Ron Aiken | | | |
| Heather Bollman | | | |

Tim Gaskin called the meeting to order at 6:00 PM.

1. Approval of Minutes:

Ron Aiken made a motion to approve the February 2, 2015 minutes. Randy Amadon seconded, and the motion carried 4-0.

2. Approval and Signing of Orders:

The Board approved and signed the orders for weeks 7-10.

3. All Hazard Mitigation Representative:

Justin Smith explained that Ray Durocher would have difficulty attending the evening hearings relating to the All Hazards Mitigation Plan that were coming up. Ray has been able to sit in on all the day time conference calls but will have difficulty getting away from work in the evenings. Ron Aiken volunteered to serve. Randy Amadon made a motion to have Ron Aiken serve as the Trustees alternate on the All-Hazards Mitigation Committee. Heather Bollman seconded, and the motion carried 3-0-1 with Ron Aiken abstaining.

4. Other: Tim Gaskin asked Justin Smith to mention to the Village Crew that there was a need to break through the snowbank on Pinehurst Street so water runoff could drain from the road.

Tim Gaskin also stated that the Village crew and our hired help acted very professionally while thawing his daughter and son-in-laws' waterline. Mr. Gaskin also mentioned that he would like copper pipe to be promoted even though we allow plastic to be used.

Justin Smith noted that the Village had expended 69% of the salt budget and this was going to be an area to watch.

Justin Smith noted that Phat Kats owner Chad Pilotte had expressed a displeasure with the need for his customers to move their vehicles for the winter parking ban when the Village Crew doesn't start cleaning until 2AM in a number of cases. Mr. Smith spoke with the Public Works supervisor regarding the issue and was informed that street

cleaning begins when the storm has ended or is dwindling to a stop and is not related to the time. The Trustees stated that the parking ban was put in place because it is not possible to go and knock on everyone's door when a storm ends. No action was taken.

Mr. Smith mentioned that many water lines had froze over the last week. He mentioned the Public Works Supervisor had made phone calls to property owners that have had frozen pipes in the past and asked them to let their water run in an effort to avoid their lines from freezing.

The meeting was turned over to LED at 6:18PM.

Minutes taken by Justin Smith.
