3. Bandstand Park Requests:
 - a. Jeffrey Houde would like to display his taxidermy collection in the park on Saturdays he would also like the opportunity to sell his work. His wife would also have feather creations for sale. The Trustees were uncomfortable leaving the request an open ended. They asked that Mr. Houde try to be included at the farmer's market or other events at the park. If this would not work they asked that Mr. Houde request some specific dates that he would like to display his work and also make sure that he get a vendor's license to sell within the Village limits.

 - c. Linda Palmer requested that the Trustees allow a sheep shearing demonstration during the Burklyn Arts Festival which has already been approved for the Park. Chris Hunter made a motion to approve the request with the condition that the Park be cleaned up after the demonstration so that it is left as the Park was found. Randy Amadon seconded, and the motion carried 3-0.
 - d. The Chamber of Commerce requested its first movie night in the Park for June 25th, 2015. Randy Amadon made the motion to approve the request and included in the motion that the Municipal Administrator can approve future requests this summer for movies in the Park. Chris Hunter Seconded, and the motion carried 3-0.
