2. Adjustments to the Agenda: There were no additions to the Agenda.
3. Minutes: Doug Conly made a motion to approve the minutes from November 20th, 2017. Susan Mills seconded, and the motion carried 3-0-1 with Ron Aiken abstaining.
4. Orders: The Board signed the orders for weeks 48-49.
5. Recreation Committee Presentation: Adrienne D'Olimpio made a presentation on behalf of the Recreation Committee which was one of the four committees formed from the VCRD forums held back in February 2017. No action was taken on the findings which were presented. The white paper developed by the Recreation Committee is attached.
6. Other: Jeremiah Little from Aces Towing asked if the board would consider allowing a parade of big vehicles: cement trucks, tow trucks, 10 wheelers, and 18 wheelers covered in Christmas Lights to have a parade route from Calkins Rock Products down through the Village ending at the intersection of Routes 5, 114, & 122. The Board informed Mr. Little part of his route was on State Roads. Mr. Little was informed he needed to contact VTrans regarding a portion of his route. Mr. Little was also informed he needed to contact the Municipal Administrator about the portion of the route that was maintained by the Village.

The meeting was turned over to LED at 6:20 PM.
