In consideration of approval of this application, the undersigned understand and agrees to the following:

1. Plans and specifications for the proposed building sewer are to be attached to this application as Exhibit "A".
2. Permit fee will be paid prior to connection to public sewer.
3. The pipe used to connect to the public sewer shall be SDR 35 gasketed pipe.
4. To accept and abide by all provisions of the Ordinance for Regulation of Sewer Use of the Town of Lyndon, and all other pertinent ordinances or regulations that may be adopted in the future.

5. To pay all costs and expenses incident to the installation and connection of the building sewer to the public sewer.
6. To maintain the building sewer to the curb stop at no expense to the Town of Lyndon.
7. That the costs in item 3 and any and all sewer use charges, if unpaid, become a lien upon the real estate served by the building sewer in the same manner and to the same effect as taxes are a lien upon real estate under 32 V.S.A. §5061 (24 V.S.A §3502).
8. To **notify** the Superintendent when the building sewer is ready for inspection and connection to the public sewer but **before** any portion of the work is covered by earth.
